

Christopher Walker

Profile:

Christopher specialises in personal injury litigation, particularly catastrophic (spinal and head) injury, fatal accident claims, industrial disease and other employer's liability claims.

He is also regularly involved in clinical and professional negligence claims, health and safety matters, coroner's inquests and product liability claims.

He is ranked as a personal injury advocate in Chambers & Partners 2012 directory, which describes him as *"perceptive and incisive...a calm and courteous advocate notes for his excellent client skills and an ability to deal with clients in a sympathetic but non patronising way"* as well as in The Legal 500, where he is noted as *"a tenacious advocate and shrewd negotiator."*
